LOCKER COLLECTION

Greenlam Industries Limited is a leading innovator and manufacturer of laminate solutions. With two manufacturing facilities with a combined output in excess of 44.56 million square meters per annum, Greenlam's broad range of products are widely specified and chosen in over 100 countries. The partnership with Timbmet ensures a significant investment in stock on the ground with industry leading service standards.

The Greenlam Locker Collection of 23 decors allows specifiers and designers to have freedom in creating visually impressive yet functional solutions. Greenlam products lead the way in terms of durability and performance. All decors and formats are delivered with an effective Peel Coat Protection to meet the needs of fabricators and installers. Many of the designs in the range are also available in 12mm compact from the Greenlam Washroom range to ensure coordinated solutions are available to be specified.
