

Edging:

ABS, Melamine & Real Wood

 **TIMBMET**

Everything wood should be

Did you know Timbmet can supply your Edging as well as your decorative boards?

**Call 01865 860350
to order today!**

We stock ABS, Melamine and Real Wood Edging, and offer a cut and edge service.

Real Wood Edging

- ✓ Pre-glued from stock, unglued to order
- ✓ 0.6mm thickness from stock, up to 4mm to order
- ✓ Widths to 50mm from stock (wider to order)
- ✓ Available to match all Veneered Board stock species

Cut & Edge Service

If you'd rather receive your panels cut and edged, Timbmet can help. Our experienced team can cut panels to your specifications, and apply edging.

- ✓ ABS, Melamine & Real Wood Edging applied
- ✓ Solid lipping up to 8mm thick
- ✓ Pre-mill, corner round, flush & radius chamfer
- ✓ Different glue colours available

Roll lengths vary – please check at time of order.

ABS Edging

- ✓ Unglued
- ✓ 0.4, 0.8 and 2mm thicknesses
- ✓ Widths to 54mm
- ✓ Matching edging available for all Egger and Kronospan Melamine Board stock
- ✓ Other decors available to order

Melamine Edging

- ✓ Pre-glued
- ✓ 0.3mm thick
- ✓ 22mm width from stock

E EGGER

Timbmet are one of the UK's leading Timber and Panel suppliers.

We've built a close relationship with our suppliers and are now the only company in the south of England to offer the full Kronodesign Express range of 18mm MFC, from stock, all held in one location.

We also carry the full Kronodesign Express range of 18mm MFMDf. Matching ABS edgings are available and Timbmet can offer you a complete cutting, edging and CNC service.

Timbmet are also an Egger Platinum Distributor, stocking the complete Egger Eurodekor range of 18mm MFC, with more than 150 decors.
